# TRYOUT CHECKLIST

## ICE TRYOUT EVALUATION CRITERIA

- Tumbling Difficulty
- Tumbling Execution
- Athleticism
- Willingness to accept instruction
- Stunting Position (Flyer, Base, Backspot) Jump Technique
- Overall attitude and attendance from the past season (if applicable)

Team placement sessions are essentially low-stress workouts. During the workouts, athletes show skills they have already developed and demonstrate the potential to learn new skills. Athletes are given numerous opportunities to show skills over multiple days.

After the final session of placements, the staff assembles rosters for the upcoming season.

## TRYOUT CHECKLIST

We look forward to working with you at one of our upcoming tryouts. Be sure to arrive with these items already completed or turned in by the due date to receive discounted fee. Once you have registered for tryouts online through our parent portal, tryout paperwork will be emailed to the main email address we have on file.

- Create an online account and register for tryouts
- Financial Agreement
- ICE Apparel Contract
- Tryout form with the attached photo of your athlete to upper left corner - Head shot only
- Payment Authorization form
- Attendance Policy
- Member Release Waiver
- Expectation Agreement
- **All outstanding debts must be paid in FULL prior to trying out**

**IMPORTANT: Please be sure to double-check all your information. Contact information needs to be legible and written in blue or black ink. All paperwork and monies are due the first day of tryouts.**

# TEAM PLACEMENT

Teams will be revealed with an email announcement as well as a team banner/video. Practices will begin the week of May 20th (depending on which weekday your team meets). Please note, tryout placements are not finalized until August. Athletes who do not keep skills performed at tryouts may be moved to a different team in August. Those who have shown marked improvement may be moved up a level. We do our best to place our athletes on correct teams at tryouts, but skills must be maintained to stay on your current team.

If you are having difficulty making it to a tryout, you may also arrange to have a private evaluation. These are typically either 1 on 1 or in a small group with a staff member. Please note that there is a substantial additional charge for doing your evaluation outside of the regular sessions.

## PRACTICES / ATTENDANCE

All teams will have a set two days per week practice schedule. During the summer, teams will have a set two days per week schedule. It is imperative that you make every effort to make practices. Please refer to our holiday schedule when booking trips/vacations when possible. Practice times usually remain consistent throughout the season and may only change under special circumstances. Once school begins our fall schedule will begin where we will add one weekend practice a month. These exact dates will be announced after tryouts. During important times of the season, additional practices may be scheduled.

## COST / TUITION

Before considering this or any program, please consider the financial commitment involved. ICE has the finest staff and the most state-of-the-art facilities in our sport. We have comprehensive monthly pricing that covers most of the expenses throughout the season. There are 12 monthly charges from May 2025 - April 2026. Tuition will be due on the 1st of each month between May - April. This price covers tuition and competition fees. Tuition will not fluctuate from month-to-month. Rather than raising and lowering tuition based on the number of practices or events (or other factors), this cost averaging system makes financial planning much easier for our customers. Although others may advertise lower rates, ICE's overall value per dollar is highly competitive. Athletes who join a team after the initial practices will have to pay a significant portion of their missed tuition to "catch up" on some of the items that are spread out over the entire season. Cost may vary depending on team and commitment level. Some teams will stay locally, while others will compete farther away.

ICE offers 6 levels for our full travel teams. The "level" refers to the type of stunts, pyramids, and tumbling that the team can safely perform. Levels are numbered 1-6 based on difficulty. The level is determined solely by the coaching staff. Level appropriate skill lists can be found through USASF.
